Directions As a dietary supplement, take one (1) capsule daily approximately one hour after eating. If you are pregnant, planning to become pregnant, breast feeding, taking any prescription medications or have a medical condition, consult your physician or healthcare professional before taking this product. Do not exceed recommended dosage. Keep out of reach of children. Store in a cool dry place.

PACran™ provides proanthocyanidins that resist adhesion of bacteria in the urinary tract. Good probiotic bacteria dominate a healthy urogenital system and produce hydrogen peroxide, lactic acid and other natural protective substances. Probiotics plus PACran™ may help maintain healthy urogenital microflora.†
