

ORGANIC
Goji 100™

THE HIMALAYAN SUPERFRUIT

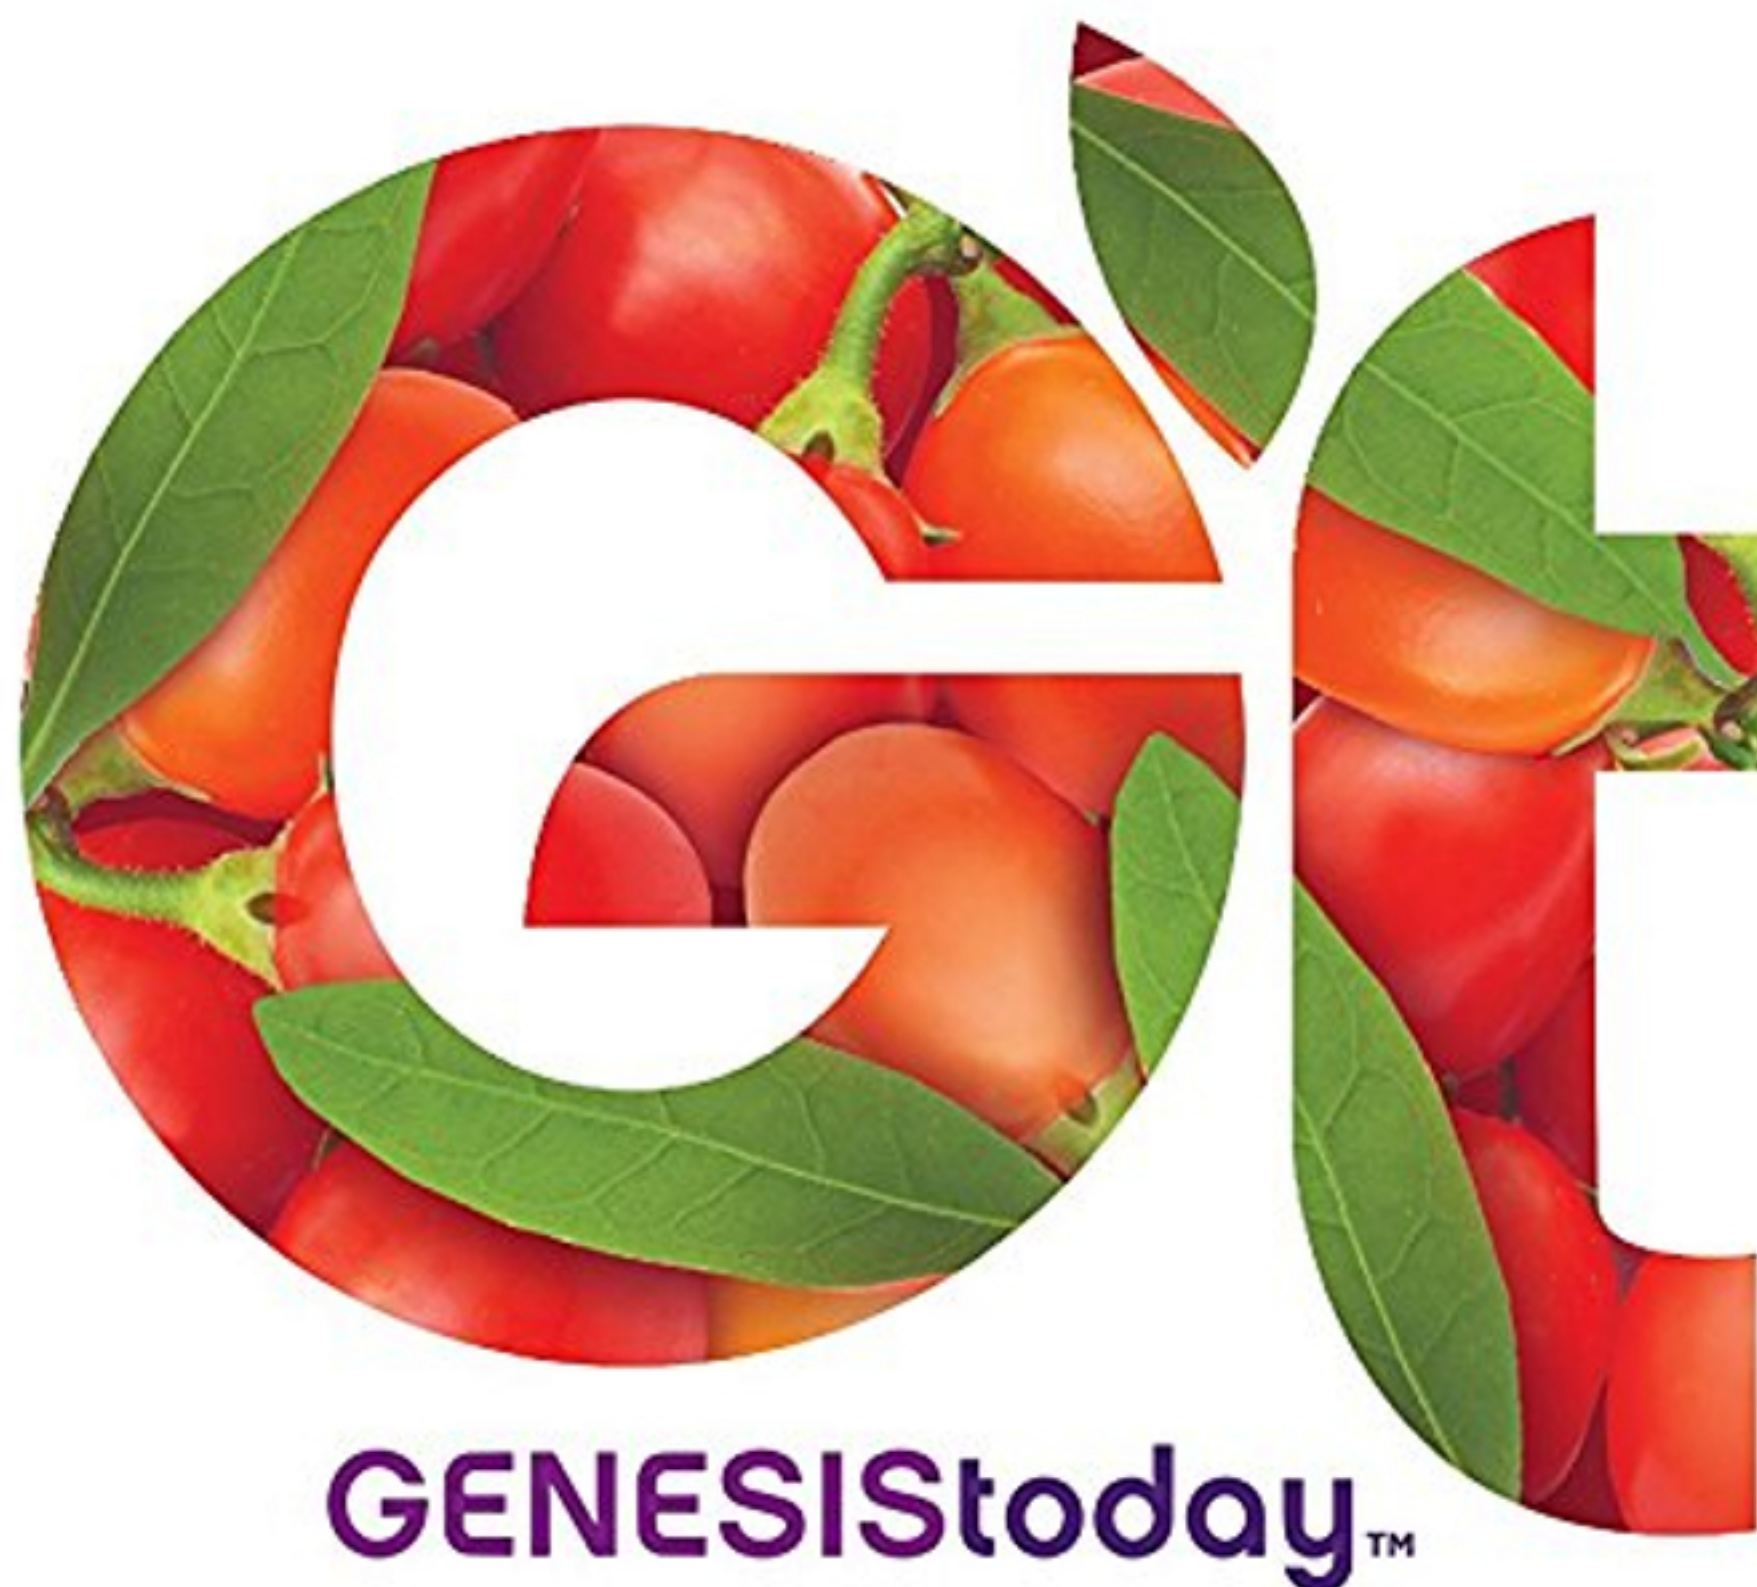

Organic Goji 100™ is made from dark and delicious, sun-drenched goji berries. Goji berries are native to the Himalayan region of Asia, flourishing on tall shrubs with vine-like branches.

The goji is a true treasure in many Asian cultures and festivals are held to celebrate the berry's annual harvest. Genesis Today's Goji 100 supports a positive mood, which may be why goji is called the "Happy Berry".

We harvest our goji berries by hand and create Goji 100 using a traditional slow cook method. Goji 100 is vegetarian, gluten-free, USDA Organic and Kosher. We source, formulate and test Goji 100 for purity and taste before offering it to you to ensure that it meets the high standards you expect from Genesis Today.
