MAXIMUM VIBRANCE®

Contains All Known Nutrients

► **Directions** As a dietary supplement, once each day mix two (2) scoops of Maximum Vibrance as a complete meal shake or mix one (1) scoop as a light meal into 8 to 16 ounces of water or your favorite beverage. Stir briskly or shake briefly in a closed container until mixed. If you are pregnant, planning to become pregnant, breast feeding, taking any prescription medications or have a medical condition, consult your physician or healthcare professional before taking this product. Do not exceed recommended dosage. **CAUTION: Contains oxygen and moisture absorbing packets. Do not consume or place packets in blender.**

► **Proper Care and Storage** Store Maximum Vibrance in your freezer (best) or refrigerator (good) after opening. Keep out of reach of children.
