

THE QUEEN OF FRUITS

Mangosteen 100™ is created from the mangosteen fruit of Southeast Asia where it is known as the "Queen of Fruits." The delicious mangosteen grows deep in the jungles of Southeast Asia among waterfalls and wild bamboo until the fruit is ripe with white, velvety flesh and ready to harvest. Mangosteen fruit contains naturally occurring phytonutrients known as xanthones.

Genesis Today makes it easy for you to indulge in this sweet, exotic superfruit. We harvest our mangosteen fruit by hand and create Mangosteen 100 using the whole fruit, including the skin, seeds, flesh and inner rind. Mangosteen 100 is vegetarian, gluten-free, USDA Organic and Kosher. We source, formulate and test Mangosteen 100 for purity and taste before offering it to you to ensure that it meets the high standards you expect from Genesis Today.
