NORWEGIAN GOLD®

THE ADVANCED FISH OILS

Health Benefits of Omega-3 DHA*

Extensive scientific research links the benefits of taking Omega-3 DHA to the eyes, brain, and prenatal health.* DHA is found in the highest concentrations in the brain and eyes.

480 mg DHA 865 mg Omega-3
1200 mg Purified Fish Oil

Norwegian Gold Critical DHA provides 480 mg of Omega-3 DHA per softgel.

No Fishy Aftertaste Plus Increased Omega-3 Absorption*

Enteric coating helps each Norwegian Gold softgel bypass the stomach to release in the intestines for no fishy aftertaste and better absorption of the Omega-3s.*

Natural Lipase is added to further aid in Omega-3 absorption. Lipase is essential for oil digestion, yet other fish oils lack this powerful fat-splitting enzyme.*
