

FOUR OF THE WORLD'S MOST POPULAR SUPERFRUITS

Genesis Today's Organic Power4™ is an exclusive blend of four of the world's most popular superfruits, including mangosteen, goji, açai and noni. Mangosteen is the exotic fruit from the jungles of Southeast Asia, sought after for its delicious taste, while goji hails from the Himalayan Mountain region of Tibet where it is known as the "Happy Berry". We've also included açai, the legendary superfruit from the Amazon Rainforest to support beauty and noni, the earthy superfruit from the South Pacific which grows in mineral-rich soil to support detoxification. These four superfruits make up Power4 and are a healthy way to start your day.*

Power4 is vegetarian, gluten-free, USDA Organic and Kosher. We source, formulate and test Power4 to make sure it meets the high standards you expect from Genesis Today.
