

THE POWER OF NONI FRUIT

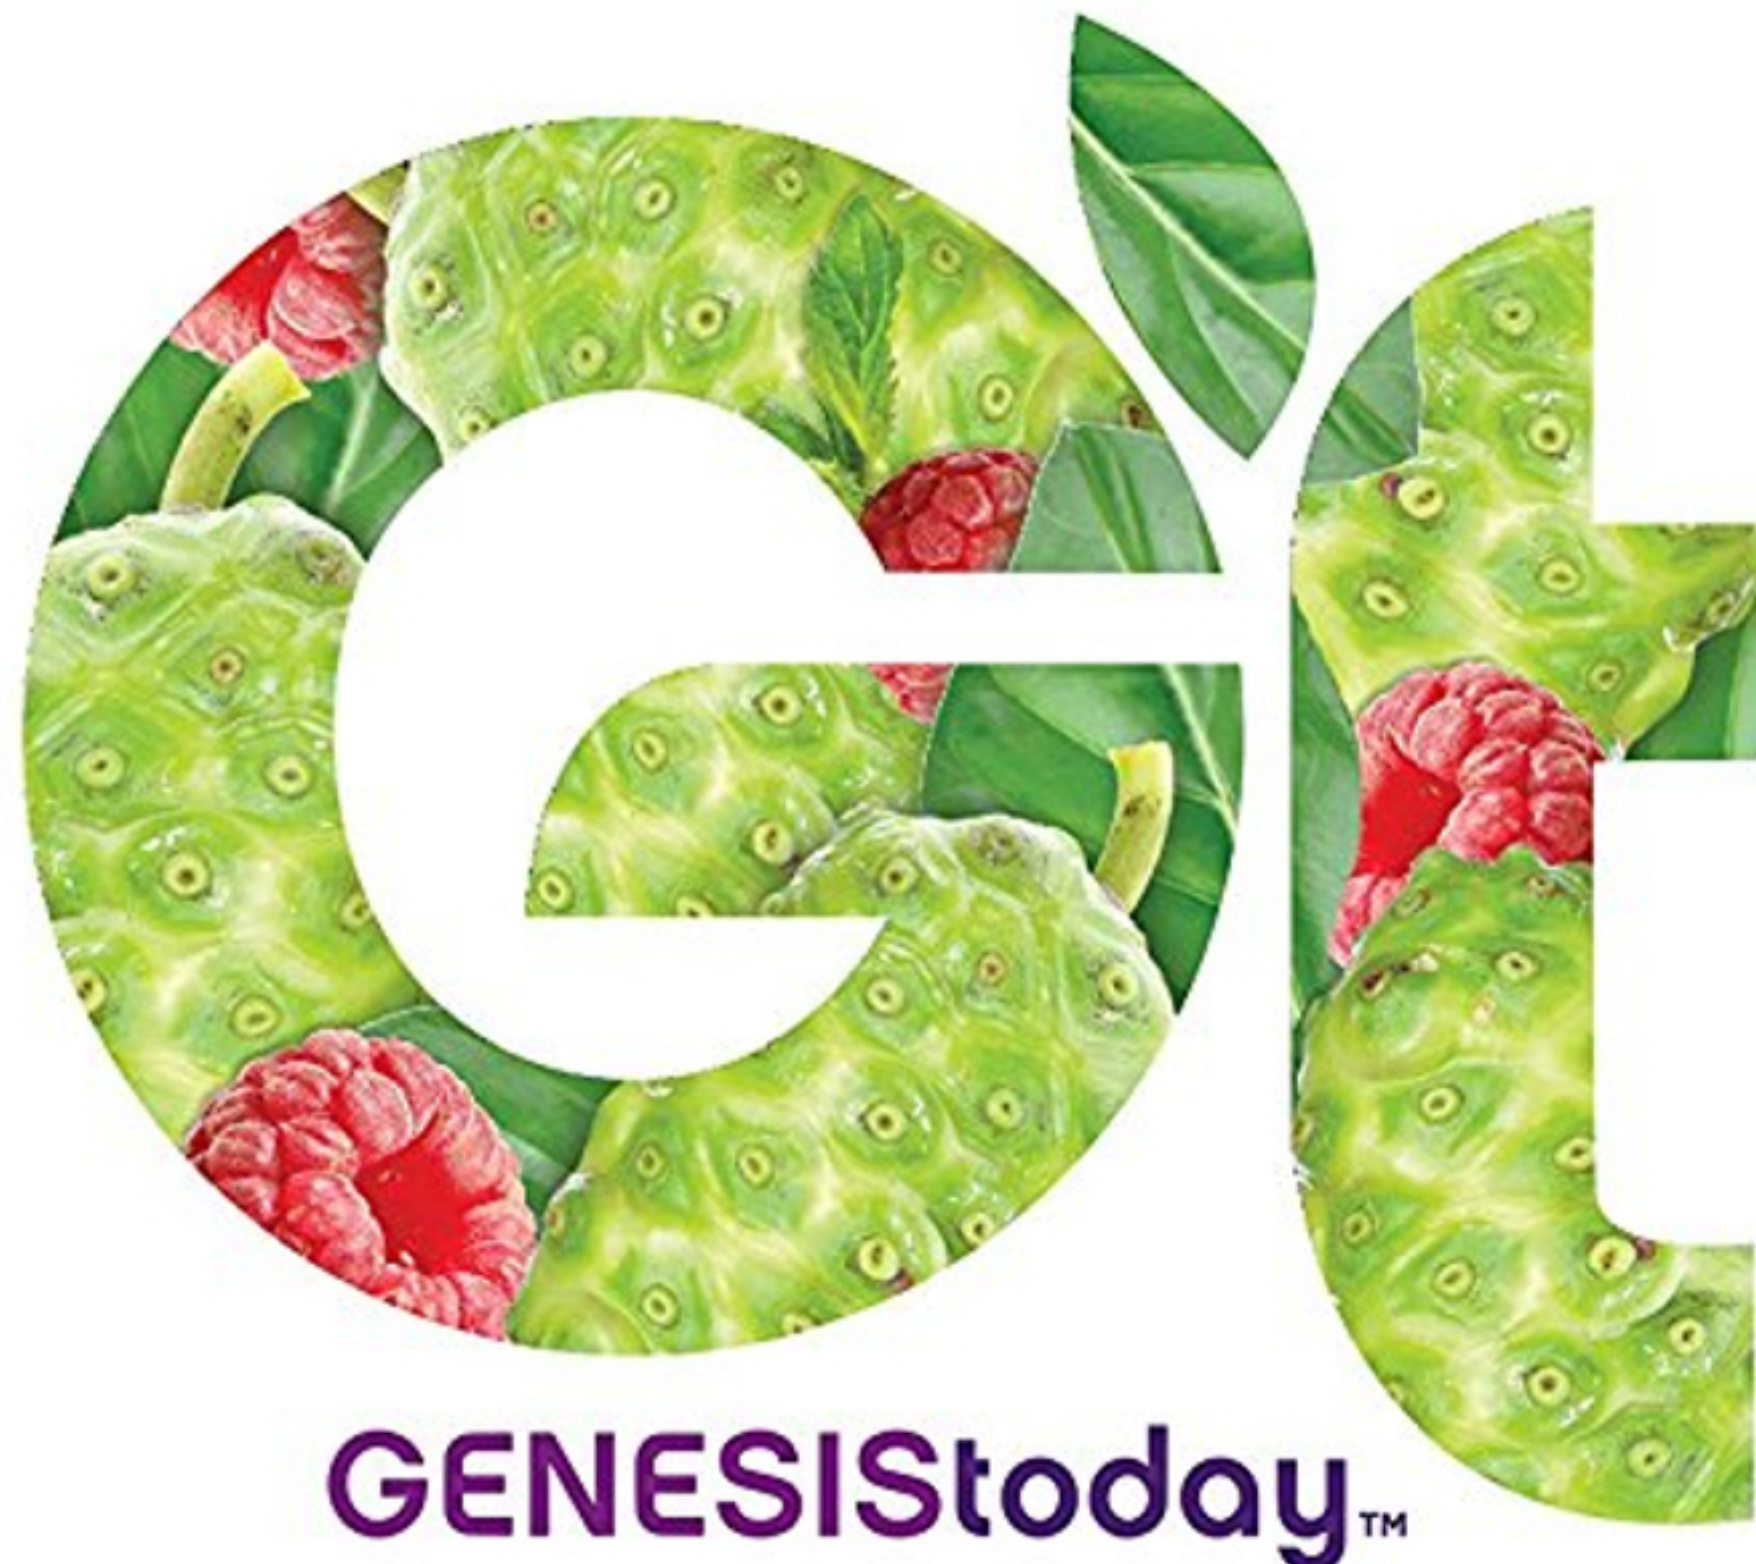

Organic Noni 99™ makes the most of the unique noni fruit by utilizing every bit of the tart superfruit, including both the flesh and skin. Our noni is harvested by hand from leafy trees that grow along beaches of the lava-laden islands dotting the Pacific Ocean.

For centuries, noni has been cherished by Polynesians, who traditionally consumed the fruit believing it would sustain their strength, even carrying the fruit in canoes on their journey across the expansive Pacific to the lush islands of Hawaii.*

Genesis Today harvests noni by hand and then ages it in large vats just as it's been done traditionally for thousands of years. Noni 99 is vegetarian, gluten-free, USDA Organic and Kosher. We source, formulate and test Noni 99 for purity and taste before offering it to you to ensure that it meets the high standards you expect from Genesis Today.
