

VEGETARIAN
Resveratrol

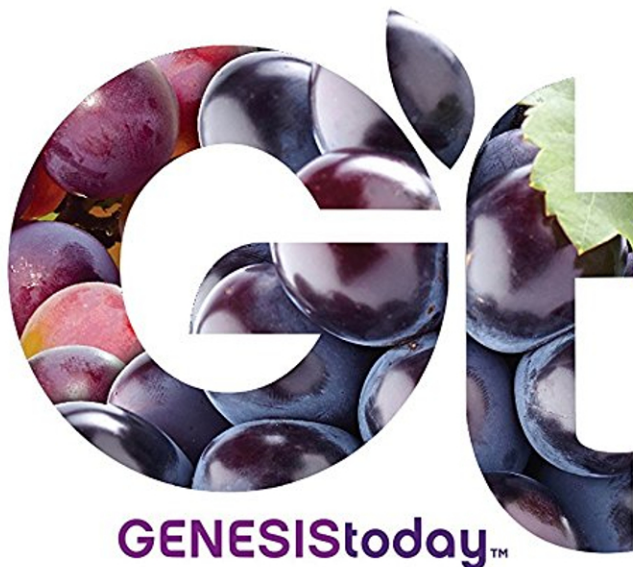

UNIQUE BLEND OF GRAPES & JAPANESE KNOTWEED

Genesis Today's Resveratrol combines several beneficial sources of resveratrol, a healthful component of red wine, into a bio-available liquid formula with over 575mg of resveratrol herbal blend per serving. Each serving provides Japanese knotweed which is standardized to 98% *trans*-resveratrol, the active form of resveratrol polyphenols found naturally in the skins, seeds and stems of red wine grapes. This unique formula packs more than 150 times the concentration of resveratrol found in one glass of red wine, offering an alcohol-free way to support cardiovascular health.*

Genesis Today Resveratrol is vegetarian, gluten free with no added sugars, colors, flavors or preservatives. We source, formulate and test Resveratrol for purity and taste before offering it to you to ensure that it meets the high standards you expect from Genesis Today.
