DIETARY SUPPLEMENT

TRILOGY MEN is daily supplementation simplified. These convenient, everyday, portable power packs contain the top three supplements most highly recommended by health practitioners; a Multivitamin, a Probiotic, and an Omega-3 Fish Oil. Trilogy delivers essential supplements to help you power through the day!

Plant-Based Multivitamin Made of annatto, guava, holy basil, lemon and amla water-based extracts, Organ-Him™ also contains chromium from Sesbania and dandelion leaves, which supports healthy blood sugar levels, heart health, and the production of lean muscle mass. Chromium is lost daily through urine and not easily absorbed from food. This organic multivitamin supports overall health, an active lifestyle, energy, plus much more. Fuel your body with the nutrients it needs to thrive by using our highly absorbable plant-based multivitamin optimized for men of all ages.*

20 Billion CFU Probiotics from 12 Strains These specific strains are gastric acid resistant, bile tolerant, and help support populations of friendly bacteria. Good bacteria is essential for health because the more of it there is, the less bad bacteria remains. That means enhanced immune health and proper digestion. By assuring a healthy G.I. tract, your body is also prepped to absorb and utilize nutrients from your diet.*

100% Mercury Free Fish Oil (No "Fish Burps") From the purest waters in the world, our 100% mercury free fish oil from anchovies, provides high quality omega-3s. The oil is molecularly distilled for purity and potency. Omega-3s have many health benefits including support for healthy cholesterol levels, cognitive function, and joint health.*

Say "goodbye" to individual bottles of pills and "hello" to daily power packs!

Supplement Facts

Serv. Size 1 packet (2 capsules, 1 softgel) Serv. per container 30
