NORDIC™ VITAMIN D₃

in Extra Virgin Olive Oil

Vitamin D has long been known for its important role in regulating the body's levels of calcium and phosphorus, as well as increasing mineralization in the bones.* Nordic Vitamin D3™ is cholecalciferol, the natural, most easily absorbed and utilized form of vitamin D.* Each serving provides 1000 I.U. of vitamin D3 in extra virgin olive oil—with naturally occurring oleic acid, a "heart-healthy" monounsaturated fatty acid.*

Suggested Use: One soft gel daily, with food, or as directed by your health care professional or pharmacist.

Store in a cool, dry place, away from sunlight

Do not take if tamper-evident seal is broken or missing

Product protected by U.S. patent #s 6346231 & 6641837

Keep out of the reach of children
