

SuperJuice™ 2 Day Diet Detox provides a platform for a 48-hour juicing cleanse before adhering to a healthy weight management plan. The goal of Super Juice™ 48-hour Power Cleanse is to help cleanse and detoxify the body while jump starting the metabolism.†

With the help of **SuperJuice™ 2 Day Diet Detox**, it is possible to detoxify the body and feel more energized as the body is rejuvenated. Whether or not you have a healthy lifestyle, detoxifying the body through juice cleansing has many added benefits for overall good health. After juice cleansing for a few days the gastrointestinal tract will begin to clear itself of the residue accumulated from a busy lifestyle and unhealthy eating. Get a jumpstart to your diet with **SuperJuice™ 2 Day Diet Detox** for a quick recharge to looking and feeling better.†

Intake of food during the 48-hour period should be light, without compromising health. Caffeine free tea, water and clear soups are recommended. After the 48-hour cleanse, consume light and healthy meals for two days.†
