

Suggested Usage: Take 1 tablet 2 to 4 times daily, preferably on an empty stomach.

Refrigeration recommended after opening.

SAMe, a compound native to the body, is a component of many biochemical reactions, including those that affect brain biochemistry and joint health.* SAMe is critical for the synthesis of neurotransmitters, is important for energy production in the brain, contributes to the maintenance of healthy cell membrane function, and influences cartilage metabolism.* NOW® SAMe is enteric-coated, which makes it very well tolerated and protects it from degradation.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Individuals with bipolar depression, anxiety disorders or taking antidepressant medications should not take SAMe unless under professional medical supervision. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do not eat freshness packets. Keep in bottle.
