2 fl. oz (60 ml)

DIETARY SUPPLEMENT

Liquid Alpha GPC (also known as L-alpha glycerylphosphorylcholine and as glycerophosphatidylcholine) is a phospholipid metabolite found concentrated in neuronal membranes. Derived from lecithin, **Liquid Alpha GPC** is extremely well absorbed and crosses the blood brain barrier.* **Liquid Alpha GPC** supports brain function and learning processes by directly supporting the synthesis and secretion of acetylcholine.* **Liquid Alpha GPC** protects neurons and improves signal transmission by serving as a precursor to membrane phospholipids.*

Keep out of the reach of children.
