Enzymes are an essential part of any nutritional plan. Total Systemic Enzyme contains the Patented AES® for more effective assimilation. Total Systemic Enzyme is sold worldwide and is known for its quick action in breaking down nutrients for proper absorption. Total Systemic Enzyme works at all pH levels and is not destroyed in the stomach acid. Total Systemic Enzyme can be used systemically if taken on an empty stomach.[†]

Recommended Usage: Two (2) capsules with each meal or two (2) capsules on an empty stomach.

Storage: Keep tightly closed in a cool, dry place in the original container. Do not expose to excessive heat.

Caution: If pregnant or nursing, consult a physician or one who knows about the use of enzymes before use. Keep out of reach of children. **DO NOT USE IF SEAL IS BROKEN.**

Total Systemic Enzymes contains NO artificial ingredients, colors, flavors, additives, gluten, casein, wheat, dairy, soy, corn, nuts, oats, sugar, animal products, preservatives, lubricants, flow agents, SLS, or TiO₂, assuring the purity of Total Systemic Enzyme.
