

USAGE: Take 1 to 6 tablets per day, preferably with meals or as directed by your qualified health care consultant. **Easy-Solv®** tablets are designed to disintegrate within several minutes of ingestion.

NOTE: If you have a medical condition (especially diabetes or being treated for glucose control) or are taking medications (especially for glucose control), consult your health care practitioner before using this product.

Jarrow FORMULAS® Alpha Lipoic Acid is a unique lipid and water soluble antioxidant that is a cofactor in energy production, helping to regulate glucose metabolism.* ALA also promotes the synthesis of glutathione.* **Biotin** is an essential cofactor that is important for energy production and lipid metabolism.* Biotin is added for optimum ALA activity.

Keep out of the reach of children.
