

Suggested Usage: Take 1 capsule daily with a meal.

Zinc is essential to the normal function of many organs and systems within the body including the skeletal, immune, neurological, and endocrine systems.*

Zinc is a necessary mineral co-factor for hundreds of enzymatic reactions related to protein and carbohydrate metabolism, RNA/DNA synthesis, and intercellular signaling.* It is also known to play a critical role in the body's defense against oxidative processes and is especially helpful for maintenance of healthy aging.*

Caution: For adults only. This product is not intended for long term use; use only as directed. Do not use if pregnant or nursing. Consult physician if taking medication

or have a medical condition.
Keep out of reach of children.

Natural color variation may occur in this product.
