

These **Rasayanas** are prepared using a traditional Ayurvedic method. They're a combination of herbs that are preserved for an indefinite amount of time in a base of Honey, Brown Rice Syrup and Ghee. The word "Rasayana" means "any substance that helps to bring about rejuvenation and youthful mental and physical energy". Tasting the herbs while consuming them stimulates the pre-digestion process and promotes greater assimilation.

Manufactured by:
Ayurvedic Rasayanas
509 Siskiyou Blvd. P.O. Box 719
