

Suggested Usage: Take 1 softgel 1 to 2 times daily with food.

NOW® Super Primrose Oil has naturally occurring Gamma Linolenic Acid (GLA), an Omega-6 fatty acid also found in Borage and Black Currant Seed Oils. Although the body can synthesize GLA from other dietary fats, it can be more efficiently utilized for bodily functions when consumed in its preformed state.* By supporting the body's healthy immune system responses, GLA may help to maintain normal skin barrier function, as well as a healthy vascular system.* It may also be used as nutritional support for mild discomfort associated with PMS.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.

Do not eat freshness packet.
Keep in bottle.
