Turmeric

advanced formula

- + *anti-inflammatory support*
- + *efficient antioxidant*
- + *immune support*
- + *antimicrobial effect*

Turmeric contains one of nature's best kept secrets - Curcuminoids, a specialized group of antioxidants known for their strong anti-inflammatory effects. youththeory's Turmeric is carefully sourced with the highest level of curcumin available and enhanced with a patented Black Pepper extract that substantially increases the bio-availability of our ingredients. This formula will tune-up your immune system to such a level that we call it a "bio-protectant" blend of nature. Added Olive Leaf works hand-in-hand with the potent curcuminoids to protect you from toxins and microbial attack. Naturally provide your body with beauty and wellness.*
