

Suggested Usage: Take 1 capsule daily.

Curcumin is a powerful free radical neutralizer that is known to support balanced immune function, but is also known to have poor bioavailability.* NOW® CurcuBrain™ features Longvida® Optimized Curcumin, which in studies exhibits up to 65 times the bioavailability of free curcuminoids compared with generic curcumin.* Longvida® is absorbed by the GI tract and delivered to the rest of the body as free curcumin, the active form in the body.* Longvida® is shown to penetrate the blood-brain barrier for the support of healthy neuronal tissues.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition (including liver dysfunction, gall bladder or gastrointestinal problems). Keep out of reach of children.

Do not eat freshness packet.
Keep in bottle.
