trate, natural
flavors, potassium
sorbate and
xanthan gum.

Directions: Shake well.
As a dietary supplement,
**TAKE ONE TEASPOON
DAILY.** For advanced
cellular protection, take
2 teaspoons. **Refrigerate
after opening.**

Contains 3800 ORAC units per serving.

Oxygen Radical Absorbance Capacity measures the antioxidant capacity of a product. The higher the ORAC value, the more antioxidant power the product contains.

Does not contain: Corn, soy, wheat, yeast, lactose, citrus, milk, egg or fish products, sugar, salt, starch, artificial coloring, flavoring or preservatives.
Gluten free.

**WARNING: KEEP OUT OF REACH OF CHILDREN.
DO NOT USE IF OUTER SEAL IS BROKEN OR MISSING.**

As with any dietary supplement, consult your healthcare practitioner before using this product, especially if you are pregnant, nursing, have existing medical conditions or are taking prescription medications.

Reserveage[™]
organics

Reserveage[™] is devoted to the
extension of youth – naturally.

Trans-Resveratrol: The secret to
anti-aging lies with *trans*-
Resveratrol, the active form of the
Resveratrol polyphenol found in
the skins, seeds and stems of red
wine grapes. *Trans*-Resveratrol
remains active only when sheltered
from the sun, light and oxygen. In
this pure, ultra beneficial form,
trans-Resveratrol has been proven
in studies to activate the SIRT1
'longevity gene' and enhance cellular
productivity. *Trans*-Resveratrol is
found here and available to you at
its peak of potency.*

Resveratrol Cellular Age-Defying Tonic
is a revolutionary breakthrough in
liquid supplements. The high-
ORAC Super Berry Blend has been
shown to impact the signs of cellular
aging. Just one serving per day
contains the Resveratrol equivalent
of 500 glasses of red wine.

PRO-LONGEVITY FACTORS DESIGNED TO SUPPORT AND HELP:

- ★ Activate the SIRT1 'longevity gene'*
- ★ Provide rapid cell rejuvenation*
- ★ Offer maximum antioxidant protection*
- ★ Regulate AGE protein development*

Reserveage[™] is committed to using
only the finest organic grapes. Our
unique patent-pending extraction
process enables us to preserve the
integrity of the essential phytonutri-
ents found in grape skins. Our pro-
cessing plant is only minutes away
from our vineyards ensuring unsur-
passed quality, purity and freshness.

Q: What are the benefits of using certified organic ingredients?

A: The largest study ever of organic
food was completed in 2007 and
found that organic fruits and
vegetables contain up to 40% more
antioxidants than non-organic
equivalents. Reserveage supplements
are made with freshly harvested
organic grapes further enriched with
age-defying antioxidants and
essential vitamins and nutrients.

We source organic muscadine
grapes directly from **USDA-
approved certified organic farms**
and our French grapes are grown in
organic vineyards certified by
Agriculture Biologique.
