#### What is a probiotic?

Probiotics are live, beneficial microorganisms that can positively affect your digestive and immune systems by maintaining the balance of good bacteria throughout your digestive tract\*.

#### Why Bio-Kult Candéa?

Bio-Kult Candéa is a scientifically developed, naturally powerful, 7 strain probiotic with garlic and grapefruit extract, that works with your body to help maintain your natural balance of microorganisms\*.

Bio-Kult Candéa provides beneficial bacteria to help maintain a healthy microbial balance, as well as garlic and grapefruit extract for their well known naturally powerful properties\*.

**Directions for use:** 2 capsules daily with the main meal

**Children over 12:** 1 capsule daily with the main meal.

**Children under 12:** As recommended by your doctor or healthcare practitioner.

**Pregnancy:** Bio-Kult Candéa is suitable for use during pregnancy, but we would always suggest consulting your doctor or healthcare practitioner before taking any dietary supplement.

**Caution:** Grapefruit is contraindicated with the intake of statins; please seek medical advice if you are taking statins, before taking Bio-Kult Candéa.

\*Or as recommended by your doctor or healthcare practitioner.

Do not exceed recommended daily intake.

**Strength:** Probiotics 1 billion CFU/capsule (1 x 10<sup>9</sup> CFU/ capsule).

Concentration of 1 billion probiotic microorganisms per capsule is guaranteed throughout the shelf life.

**Allergen advice:** Bio-Kult Candéa contains traces of milk and soy as these are used in the growth media of the strains. Bio-Kult Candéa is a non-GMO product.
