Bio-Kult® Pro-Cyan®

45 CAPSULES

Advanced triple action formula*

What is a probiotic?

Probiotics are live bacterial cultures that are naturally present in a healthy person's digestive system*.

Why Bio-Kult Pro-Cyan?

Bio-Kult Pro-Cyan is an advanced triple action formula*. The specifically selected probiotic strains and Vitamin A support normal function of the immune system and the maintenance of mucous membranes such as those lining the urinary tract*.

Directions for use: 1-2 capsules once or twice daily with food.

Pregnancy: Bio-Kult Pro-Cyan has been formulated to be suitable for use during pregnancy, but we would always suggest consulting your doctor or healthcare practitioner before taking any dietary supplement.

Children under 12: Take half adult dose.

*Or as recommended by your doctor or healthcare practitioner.

Do not exceed recommended daily dose.

Strength: 500 million probiotic microorganisms (>5 x 10⁸ CFU/ capsule), equivalent to 1.2 billion probiotic microorganisms per gram (1.2 x 10⁹ CFU/gram). Concentration of 500 million microorganisms per capsule is guaranteed throughout the shelf life.

Allergen advice: Bio-Kult Pro-Cyan contains traces of milk and soy as these are used in the growth media of the strains.

Bio-Kult Pro-Cyan is a non-GMO product.

**per two capsules

Actual size of capsule

Bio-Kult Pro-Cyan 45 capsules dietary supplement

Bio-Kult Pro-Cyan capsules can be pulled apart and the contents sprinkled onto food, mixed with a drink or swallowed whole.

Dietary supplements should not be used as a substitute for a varied diet and a healthy lifestyle.

Keep out of reach of children.

Keep sealed and store in cool, dry conditions. In high, ambient temperatures (25°C+) air-conditioning or refrigeration would be cautionary to assist in maintaining shelf life.

For Best Before End see base.
