HARD RHINO™

L-GLUTAMINE

Suggested Use: As a dietary supplement, take 5000 mg (~1/2 tbsp) with 8-16 ounces of water or suitable beverage. Taken 20-30 minutes prior to exercise and again immediately after exercise. It is suggested to continue supplementation on non-training days, evenly dividing servings throughout the day.

These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any diseases.

WARNING: Keep out of the reach of children. Do not take this or any other supplement if under the age of 18, pregnant or nursing a baby, or if you have any known or suspected medical conditions and/or taking prescription drug(s) or OTC medication(s). Always consult with a qualified health physician before taking any new dietary supplement.
