Cat's Claw Bark	1 g	†

*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: microcrystalline cellulose, acacia gum, sorbitol, stearic acid, silica, modified cellulose gum, and magnesium stearate.

Suggested Use: 1 to 3 tablets twice daily with a meal.

WARNING: Do not use if you are pregnant, may become pregnant, or breastfeeding.

Cat's claw (*Uncaria tomentosa*) is an herb that grows in the rain forests of the Peruvian Amazon. Indigenous Peruvians have used it for centuries, dating back to the ancient Incas. The inner bark contains unique active constituents to help support the body's immune system.* The bark can be obtained without needless destruction of the plant, thereby protecting the delicate Amazon ecosystem.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
