

USAGE: Take 1 to 6 tablets per day in divided intakes or as directed by your qualified health care consultant. **Easy-Solv®** tablets are designed to disintegrate within several minutes of ingestion.

NOTE: If you have a medical condition (especially hypotension or herpes), are pregnant, lactating, trying to conceive, under the age of 18, or taking medications (especially for blood pressure), consult your health care practitioner before using this product.

Jarrow FORMULAS® Arginine + Ornithine contains only crystalline, pure free form amino acids. **L-Arginine** is a semi-essential amino acid synthesized by the body from **Ornithine**. Arginine and Ornithine support protein synthesis as they are involved in the transport and storage of nitrogen.* Arginine, as a part of physical performance, is used by muscle tissue to produce creatine.*

Keep out of the reach of children.
