*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: crystalline fructose††, xylitol††, stearic acid, natural peach flavor, magnesium stearate, silica, citric acid, and natural orange, chocolate and cherry flavors.

††Xylitol and fructose have a low impact on blood sugar levels.*

Directions: For ages 5 and up. Take as follows, depending on your child's weight: <75 lb. = 1 to 2 wafers daily, 75 to 125 lb. = 2 to 3 wafers daily, >125 lb. = 3 to 4 wafers daily. Chew wafers thoroughly.

STORE IN A COOL, DRY PLACE.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Studies have shown that very active children may have special dietary needs. Source Naturals **ATTENTIVE CHILD™** is designed to support the multiple systems that affect your child's brain metabolism—and kids love the sweet and tart taste! DMAE, a substance normally found in the brain, may be used by the body to make choline, which in turn may be used to make acetylcholine. Magnesium is necessary for numerous metabolic processes and also plays a role in neuromuscular transmission and activity. L-Aspartate, an amino acid, acts as a neurotransmitter. Our grape seed extract provides procyanidins, which have powerful antioxidant activity, and phosphatidylserine is a vital component of cell membranes, including those in the brain.*

CAUTION: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product. If your child has epilepsy, consult your physician before using this product.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten or wheat. Contains no salt, preservatives, or artificial color, flavor or fragrance.
