- IFBB PRO FAKHRI MUBARAK

FAKTRITION™ F.BURNER CMLX contains professionally selected ingredients that work synergistically to burn fat, increase metabolic rate, and enhance thermogenesis throughout the body. It pushes fat cells into your mitochondria and converts them into energy to be burned for fuel. This allows your body to rid itself of stubborn body fat while promoting clean energy throughout the day.

SUGGESTED USE: Take 2 capsules upon awakening 15-20 minutes before meal 1, or 15-20 minutes before cardio or training. Consume with 8-10 ounces of water.
