- IFBB PRO FAKHRI MUBARAK

FAKTRITION™ DRY OUT CMLX was created as a natural, high-potency product to eliminate excess water from the body. It can be used to enhance muscle definition by reducing water retention without side effects. This product is formulated for both men and women to rapidly achieve a more defined physique.

SUGGESTED USE: Take 4 capsules with 16 oz of water twice a day. First thing in the morning and then again in the afternoon. Drink at least 8-10 glasses of water daily. Do not exceed the daily recommended dosage.

Do not take for more than 10 consecutive days. Not intended for extended use.

WARNING: Do not use if under 18. Do not exceed recommended dosage daily, doing so may result in adverse health effects. Not to be used by pregnant or nursing women or person(s) who have pre-existing health conditions. This product is intended for use by normal healthy adults. Consult a physician before using this product. Keep out of reach of children.
