

DIRECTIONS: Take one (1) capsule two (2) times daily just prior to meals. Do not take more than two (2) capsules in any 24-hour period.

Metabo379® combines two unique herbal extracts, *Sphaeranthus indicus* and *Garcinia mangostana*, to create our potent SIGMALean™ complex. This revolutionary herbal blend has two published double-blind, placebo-controlled, peer-reviewed studies validating its groundbreaking effectiveness. In the 8-week trial, participants experienced the following results on average over the placebo group:

- 3.79x more weight loss†
- 2.2x reduction in waist and hip measurements†
- Both weight loss and size reduction starting at 2 weeks†

Adding BioPerine®, a naturally-derived, patented extract shown in studies to enhance bioavailability and absorption, further improves this already effective and research-backed formula.
