

Evening Primrose is a natural source of the unsaturated fatty acid, Gamma-Linolenic Acid (GLA). Gamma-Linolenic Acid is a precursor to prostaglandins, action-specific biomolecules that regulate many important functions in cells.*

The Evening Primrose used for Radiance is cold pressed and void of Hexane.

Directions: For adults, take one (1) softgel three times daily, preferably with a meal. As a reminder, discuss the supplements and medications you take with your health care providers.

KEEP OUT OF REACH OF CHILDREN. STORE AT ROOM TEMPERATURE AND AVOID EXCESSIVE HEAT. TAMPER RESISTANT: DO NOT USE IF SEAL UNDER CAP IS BROKEN OR MISSING.
