TONGKAT ALI

MALE LIBIDO TONIC*

30 TABLETS

Dietary
Supplement

Supplement Facts

Serving Size 1 Tablet

Amount Per Serving	
LJ100® <i>Eurycoma longifolia</i> Root Extract	80 mg†
(40% Glycosaponins, 22% Eurypeptides)	

†Daily Value not established.

Other ingredients: microcrystalline cellulose, stearic acid, modified cellulose gum, and silica.

Tongkat Ali, also known as long jack, may support male hormonal balance (including testosterone levels), libido and performance, according to preliminary research. It has been traditionally used to enhance energy levels, endurance and stamina, and to reduce occasional mental fatigue.*

Suggested Use: 1 tablet twice daily with meals. Optimal effectiveness should be felt within 1 to 3 weeks of twice daily consumption.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

WARNING: This product is intended for use by adult men only. Do not use if you are pregnant, may become pregnant, or breastfeeding. If you are taking any prescription medications, are taking any kind of hormone-modulating supplements such as anabolic steroids or hormone replacement therapy, or have any type of hormone-responsive diseases or conditions such as breast or prostate cancer, benign prostatic hypertrophy, or thyroid disease, consult your health care professional before using this product.
