USAGE: Take 1 capsule 1 to 2 times per day with food or as directed by your qualified health care consultant.

Jarrow FORMULAS® Blackcurrant Freeze-Dried Extract contains powerful antioxidants (polyphenols) for reducing eye fatigue and discomfort, providing antioxidant protection and promoting vasodilation.*

New Zealand Blackcurrant (Cassis) contains 4 times more polyphenols, including the unique eye protectors delphinidin-3-rutinoside and cyanidin-3-rutinoside, than European Blackcurrant and is freeze-dried to better protect its phytochemicals.

New Zealand Blackcurrant is free of pesticides and grows in an unpolluted area with intense sunlight, which makes it naturally high in phenolic antioxidants.

ORAC Value > 800/Capsule
(Oxygen Radical Absorbance Capacity)
Keep out of the reach of children.
