

SUGGESTED USAGE: Take 1 softgel 3 times daily, or as directed by your healthcare practitioner.

HOW IT WORKS: CLA Away™ combines Guarana and Green Tea Extract (GTE) for active people seeking the nutritional support of Conjugated Linoleic Acid (CLA).* CLA is a fatty acid naturally found in beef and dairy products. Guarana supports alertness and, associated with Green Tea, may enhance daily energy expenditure.* GTE contributes numerous bioactive compounds, including Polyphenols and Catechins that have been found to help defend against oxidative stress.* When used as directed, CLA Away™ helps support the increased metabolic demands of active individuals.*

CAUTIONS/INTERACTIONS: For adults only. Consult physician if pregnant/nursing, taking medication (especially blood pressure medications), or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet. Keep in Bottle.
