Discover Our Green Tea Kombucha Decaf

Our Green Tea Kombucha Decaf was inspired by a remedy
that dates back to ancient Russia. Updated for today's
lifestyle, Yogi's special formula of Organic Decaffeinated
Green Tea with Kombucha is designed to support your
immune system and supply antioxidants. Spearmint
naturally supports digestion, while Lemongrass and Plum
flavor combine to create a smooth, fragrant blend with a
light, fruity flavor. Once the steeping process is complete,
you are ready to enjoy a delicious, delightful and soothing
cup of green tea any time of day.*

Yoga to Walk the Path to Wellness

Grab the edge of a counter and use it for support as
you move your feet backward until you are holding
your body at a 45 degree angle. Raise and lower
alternate heels without lifting toes off ground. Walk
vigorously in place for 1 to 3 minutes. End by standing
straight and breathing deep. Ahhh, much better.

Before doing this exercise or participating in any
exercise program, consult your
physician.

Our story began in 1969 when Yogi
Bhaan, an inspirational teacher of
holistic living, started teaching yoga
in the west. He shared with his
students his wisdom and knowledge
of healthy living and the beneficial
properties of herbs, all while
serving a comforting and
aromatic spiced tea they
affectionately named
"Yogi Tea".
