Yoga for Cheerful Well-Being

Lie on your back and place your hands under buttocks. Begin a bicycling motion, keeping legs in the air. Move feet in big circles and continue for 1 to 3 minutes. Then, take a few deep breaths and relax. Ahhhhh.

Before doing this exercise or participating in any exercise program, consult your physician.

Our story began in 1969 when Yogi Bhaan, an inspirational teacher of holistic living, started teaching yoga in the west. He shared with his students his wisdom and knowledge of healthy living and the beneficial properties of herbs, all while serving a comforting and aromatic spiced tea they affectionately named "Yogi Tea".
