

USAGE: Take 1 tablet 1 or 2 times per day or as directed by your qualified health care consultant. **Easy-Solv®** tablets are designed to disintegrate within several minutes of ingestion.

NOTE: DO NOT use if allergic to pineapples, honeybee stings or olive pollen. Swallow quickly with a full glass of liquid. If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your health care practitioner before using this product.

Bromelain is a protein-digesting enzyme extracted from pineapple sap and stem. Bromelain is classified as a **proteolytic enzyme** because of its ability to digest proteins. Bromelain affects protein turnover in the body, including proteins found in joint tissue.*

Keep out of the reach of children.
