Yoga for Youthfulness

Sit in a comfortable position. Point index fingers forward and place right over left with the right hand facing downward and the left hand upward. Bring hands to diaphragm and slowly inhale through nose and exhale through mouth, directing air towards the tips of your index fingers. Breathe slowly in this position for 1 to 3 minutes and feel the energy

Before doing this exercise or participating in any

Our story began in 1969 when Yogi Bhajan, an inspirational teacher of holistic living, started teaching yoga in the west. He shared with his students his wisdom and knowledge of healthy living and the beneficial properties of herbs, all while serving a comforting and aromatic spiced tea they affectionately named

Green Tea Super Antioxidant
