Premium Herbal Formulas

Elaine Alexander, the late Canadian health researcher and radio producer/broadcaster, collaborated exclusively with Flora to produce **Flor•Essence®**. This purification tea was entrusted to Elaine by Dr. Charles Brusch, M.D., personal physician to the late President John F. Kennedy. Dr. Brusch was a partner in research and co-owner with the famous Canadian nurse Rene Caisse in perfecting this formula at his Cambridge, Massachusetts clinic.

Flor•Essence® supports the whole body in its natural elimination process.* **Flor•Essence®** is the only product on the market authorized to carry Elaine's signature on the packaging to vouch for its historical authenticity.
