† At time of manufacture

This product may contain mild traces of milk and soy proteins from fermentation ingredients.

Directions infant to 3 years: Take ½ scoop of FloraBABY per day for 5 days. Mix with cool or room temperature infant formula, juice, milk or other liquid immediately before use. After 5 days, increase to 1 level scoop per day. Do not mix with hot liquid or food.

Directions 4+ years: Take 1 level scoop of FloraBABY per day (may be repeated up to 3 times per day). Mix with cool or room temperature infant formula, juice, milk or other liquid immediately before use. Do not mix with hot liquid or food.

Best if refrigerated.

Infants receive their first beneficial bacteria during the birthing process. Supplying additional probiotic bacteria supports optimum digestive and immune function.*

FloraBABY provides health-promoting probiotics chosen for their prevalence in the digestive tracts of infants and toddlers, including the key *B. infantis* strain.

Each serving of FloraBABY contains 4 billion probiotic cultures of 5 beneficial Bifido and Lacto strains, with added FOS, a growth medium for probiotics.

Contains no GMOs, corn, yeast, wheat, gluten,
binders, fillers or artificial ingredients

KEEP OUT OF REACH OF CHILDREN. Best if refrigerated.

WARNING: Consult a physician before using this or any product if your child is taking medication or has a medical condition. Consult a pediatrician before your child begins any probiotic formula.
