

SUGGESTED USAGE: Take 1 capsule daily at bedtime on an empty stomach, or as directed by your healthcare practitioner.

HOW IT WORKS: UC-II® is an undenatured (native) Type II Collagen that is derived from chicken sternum. Due to its unique configuration, it is capable of interacting with the normal immune system when administered orally.* UC-II® has been clinically validated for its ability to help maintain healthy joints through the support of a balanced immune system response to everyday wear and tear.* Joint-UC™ is enhanced with Aquamin® Seaweed Derived Minerals, a natural form of calcium and over 70 trace minerals.

CAUTIONS/INTERACTIONS: For adults only. Individuals who are allergic to chicken should not use chicken collagen. There are no known drug interactions with UC-II®. Keep out of reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
