

SUGGESTED USAGE: Take 1 capsule 1 to 2 times daily, preferably with food, or as directed by your healthcare practitioner.

HOW IT WORKS: Hyaluronic Acid (HA) is a naturally occurring glycosaminoglycan that is found in every tissue in the body. HA is particularly concentrated in the eyes, skin and synovial fluid, where it functions as one of the body's main lubricating components.* HA also plays a critical role in the formation of cartilage, as well as in the maintenance of healthy skin.*

CAUTIONS/INTERACTIONS: There are no known drug interactions.
