BEST BEFORE:

Yoga for Contentment

Sit cross-legged or in a chair with spine straight and feet flat. Make a cup with hands by putting right over left. Bring cup to heart and look into it. Mentally focusing on a strong desire you have, inhale deeply and exhale through puckered mouth into the cup. Continue for 1 to 3 minutes and remember to smile.

Before doing this exercise or participating in any exercise program, consult your physician.

Our story began in 1969 when Yogi Bhaajan, an inspirational teacher of holistic living, started teaching yoga in the west. He shared with his students his wisdom and knowledge of healthy living and the beneficial properties of herbs, all while serving a comforting and aromatic spiced tea they affectionately named "Yogi Tea".
