BEST BEFORE:

Yoga to Lift Your Spirits

Stand with feet as wide apart as possible. With arms against your sides, bend elbows to 90 degrees while keeping hands and wrists relaxed. Rotate hips in a large circle for 1 to 3 minutes, then reverse direction and continue for another 1 to 3 minutes. Move slowly in rhythm with your breath to allow the hip area to relax naturally.

Before doing this exercise or participating in any exercise program, consult your physician.

Our story began in 1969 when Yogi Bhaan, an inspirational teacher of holistic living, started teaching yoga in the west. He shared with his students his wisdom and knowledge of healthy living and the beneficial properties of herbs, all while serving a comforting and aromatic spiced tea they affectionately named "Yogi Tea".

It All Began with Classic India Spice®

The spirit and creation of Yogi hearkens back to this distinctive blend. Inspired by a spicy, revitalizing tea developed thousands of years ago by yogis in India, this traditional formula includes Cinnamon, Cardamom and Ginger, with a touch of Clove and Black Pepper. Appreciated for its transcendent flavor and exotic aroma, but also recognized for its beneficial qualities, this warmly spiced tea is based on a traditional Ayurvedic formula thought by herbalists to help invigorate and warm the body.* Discover the taste of tradition with caffeine-free Classic India Spice.
