

USAGE: Take 1 tablet per day or as directed by your qualified health care consultant. **Easy-Solv®** tablets are designed to disintegrate within several minutes of ingestion.

WARNING: Citrus-derived products (like those from orange or grapefruit) contain phytonutrients that may affect the metabolism of certain prescription drugs.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your health care practitioner before using this product.

Vitamin C is a basic antioxidant that is needed for normal blood clotting and is essential in the synthesis of collagen, necessary for healthy connective tissue, gums, teeth and bones.*

Bioflavonoids are potent polyphenol antioxidants that protect the body from free radical damage.* Citrus bioflavonoids and their metabolites may contribute to cardiovascular health by minimizing free radical damage and promoting capillary integrity.*

Keep out of the reach of children.
