BEST BEFORE:

Yoga for Clarity of Mind

Sit cross-legged or in a chair with spine straight and feet flat. Close your eyes and block left nostril with left hand. Take deep, slow breaths through the right nostril. Continue 1 to 3 minutes with focus on your breath. A clear mind opens the window to happiness.

Before doing this exercise or participating in any exercise program, consult your physician.

Our story began in 1969 when Yogi Bhaajan, an inspirational teacher of holistic living, started teaching yoga in the west. He shared with his students his wisdom and knowledge of healthy living and the beneficial properties of herbs, all while serving a comforting and aromatic spiced tea they affectionately named "Yogi Tea".
