

Description

Revitalize your health with the Spring Valley Wild Harvested Acai Softgels. Jam-packed with free radicals that prevent further damage to cells, this acai diet supplement is an effective anti-aging solution. Acai is a dark-purple colored berry containing essential nutrients, like anthocyanins with immense nutritional power. Anthocyanins, naturally-occurring plant compounds, impart the dark color to the acai berries and offer antioxidant protection. The Spring Valley Antioxidant Supplement is the perfect choice for good health as acai berries bear an ORAC value double that of blueberries. Get a handle on your health and help protect your body from future problems with this Spring Valley dietary supplement.
