BEST BEFORE:

Yoga to Uplift Your Spirit

Sit cross-legged or in a chair with spine straight and feet flat. With eyes gently closed, inhale through the nose in four even sniffs and exhale in one long breath. Use your complete lung capacity and keep breaths smooth. Sit back, smile and enjoy some bliss.

Before doing this exercise or participating in any exercise program, consult your physician.

Our story began in 1969 when Yogi Bhaan, an inspirational teacher of holistic living, started teaching yoga in the west. He shared with his students his wisdom and knowledge of healthy living and the beneficial properties of herbs, all while serving a comforting and aromatic spiced tea they affectionately named "Yogi Tea".
