BEST BEFORE:

Yoga for Soothing Energy

Sit cross-legged or in a chair with spine straight and feet flat. Block right nostril with right hand. Take 26 long deep breaths through left nostril. Switch sides and breathe through right nostril. Relax and enjoy a sense of soothing calm.

Before doing this exercise or participating in any exercise program, consult your physician.

Our story began in 1969 when Yogi Bhaan, an inspirational teacher of holistic living, started teaching yoga in the west. He shared with his students his wisdom and knowledge of healthy living and the beneficial properties of herbs, all while serving a comforting and aromatic spiced tea they affectionately named "Yogi Tea".
