BEST BEFORE:

Yoga for a Graceful Glow

Stand with right leg bent, knee over the toes. Left leg is straight and at a 45-degree angle. Raise right arm parallel to ground and make a fist. Pull left arm back as if pulling a bowstring. Hold position with eyes fixed on the horizon for 1 to 3 minutes, then switch sides. Experience the radiance building within you.

Before doing this exercise or participating in any exercise program, consult your physician.

Our story began in 1969 when Yogi Bhaajan, an inspirational teacher of holistic living, started teaching yoga in the west. He shared with his students his wisdom and knowledge of healthy living and the beneficial properties of herbs, all while serving a comforting and aromatic spiced tea they affectionately named "Yogi Tea".

It's just as essential to cleanse from the inside; reducing internal impurities can help to promote clearer, glowing skin. Yogi Soothing Rose Hibiscus Skin DeTox is an all-organic blend purposefully formulated to support a healthy skin care regimen. Fragrant Rose Petal and Hibiscus, used in Ayurveda to cool and soothe the skin, entice the senses with a fresh, floral scent. We then add Green Tea that supplies antioxidants to promote a sense of rejuvenation and Red Clover, Burdock and Yellow Dock—traditionally used to promote cleansing. Enjoy lightly sweet and floral Soothing Rose Hibiscus Skin DeTox throughout the day to support your healthy glow.*
